Dear Friends:

On behalf of the Commonwealth, my wife Glenna and I would like to congratulate and humbly thank Diocesan Catholic Children's Home, Center for Children and Families in Fort Mitchell on its one hundredth adoption in the program.

These years of volunteerism and dedication of staff has been a true blessing, and we are grateful for the attention and care you have given to our most vulnerable children.

In the years ahead we trust that your love and commitment to our most precious gifts will only continue to grow. The positive change and good you do will continue to grow with it. We are truly grateful for your leadership, love, and dedication.

Sincerely,

A handwritten signature in black ink that reads "Matthew G. Bevin".
